MEMORANDUM FOR: Director of Logistics

SUBJECT : Improvement--Corner of Glebe Road and Route 123

1. Attached hereto is a note from Larry Houston referencing the meeting of Colonel White with the Virginia Road Commissioner. The suggestion was raised that this improvement might be brought within the purview of a statute pertaining to defense access roads per attachment.

2. I have read the attached and while theoretically it may be possible to come within the purview of this statute it does seem that we are stretching a point to try to do so. I do ask, however, that you review this and let me have your thoughts and comments in preparation for the meeting with Colonel White. Please expedite.
